

Leading Your Dental Team

Designed for Dentists, Office Managers, and Leadership Team Members

In today's dental business economy there is no shortage of advice, articles, training programs, or technology to grow your practice. Yet many offices find themselves in a vicious cycle of learning something new or even deciding to re-implement an existing system, yet few things ever change.

How do you know where to begin? It starts with your practice culture and leadership...in other words, it starts at the top. Break through the barriers that are preventing your practice from reaching the next level and attend this session where we will "get real" about leading and coaching your dental team.

Course Objectives:

- Discover the foundation of leadership
- Identify how to establish and nurture the culture of your practice as well as share a clear picture with your team
- Learn coaching strategies for pro-active management and get out of the vicious cycle of fire-fighting
